So far this school year we have had an opening year meeting, one meeting for the communications committee and two official Student Council meetings with all members. On Wednesday September 25th, we welcomed new members, discussed our end of October Spirit Week which will take place from the 28th to November 1st and threw out some ideas for things we would like to see for the school year.

Monday-28th	Tuesday-29th	Wednesday-30th	Thursday-31st	Friday-1st
Comfy Day	Flannel VS Camo	Witchy Wednesday (black)	Costume Day	Class Colour Day

We had good participation for the Terry Fox Run on September 26th, a lot of students found it enjoyable and Student Council Members sold ice cream treats and freezies at lunch that day.

The student council has updated the bulletin board at the bottom of the stairs with a calendar of events, a place for spirit week updates to go and a news board for all important

information. Additionally, we have created a new instagram account since we could no longer access the old one. Some teachers such as Ms. Clarke has requested a schedule of sports events so she can plan band activities around them, I would also like a copy of this schedule whenever it is available so I can keep the calendar updated.

Another thing on the bulletin board is a scoreboard for our class competition. Each student who participates in Spirit Week and wears their assigned colour on the first Friday of the month gets a point for their grade. The winners at the end of the year receive a Pizza and Ice Cream party. So far our Grade 8s are in first place.

We have had two assemblies this school year where we have explained the concept of the class competition, played our minute-to-win-it games and informed the students about upcoming events such as spirit week, the coffee house which took place last night in support of the band students going to New York and the first yearbook meeting which also took place yesterday at lunch. Yearbooks will be for sale this week.

Finally, our students and community members have mentioned the following;

- Turkey dinner with community involvement
- Class Colours merchandise
- Alumni basketball game

Fundraiser in support of athletes with a goal to lower sport fees
