2	Science courses (one from Science 10, Biology, Physics, Chemistry) and one other approved Science course)	1	Physical Education Credit (PAL or PHE 11 or 12, Yoga 11)

### PLEASE NOTE:

-Students are asked to choose courses carefully. The 2020-21 schedule is subject to change.

-All students in **Grades 10 and 11** are required to register for **8** courses.

-Grade 11 and 12 students are eligible to enrol in **on-line courses** (maximum of one per semester) but there are special rules and guidelines applicable to them, and they are not suitable for all students. **Students who register for online courses must be an independent learner and be aware that instruction is delivered by an external teacher.**

-Parents/Guardians and Students, please carefully consider the **Math and English recommendations** specified by teachers. These recommendations are given with student success in mind.

- For more detailed information, including grad requirements and course descriptions, consult the Course Selection Book that is posted on the school website following the prompts **Our School to School Resources to Guidance**.

**-All students will be seen individually by the guidance counsellor** in order to discuss choices and future plans

-Students and parents/guardians are **welcome to consult with the guidance counsellor** prior to submitting this form. Please contact at amackenzieboudreau@hrce.ca or call 384-2320, extension 7801003.

### Possible On-line Course Offerings for 2020-21
